1.2 Scope of Tenant Manual

This Manual was created by Waseef Company in order to facilitate standard house rules, guidelines and procedures in relation to the activities of the Residents in each unit, in the buildings and on the entire Property under Management. This contains broad information of your rights and obligations to the community. This document also intends to provide a common understanding of details for both PM/FM Services available on site.

The Tenant shall be responsible for ensuring that all the clauses stated on this Manual has been fully understood and are well observed for strict compliance.

The provisions contained on this Manual form part of the Lease Agreement between Waseef and the Tenant. If any event and/or issue herein conflicting with any provision(s) on the Lease Agreement, unless otherwise agreed in writing, the Lease Agreement will take precedence.

This Manual shall develop over time following additional knowledge of the Tenant’s requirements, as well as the introduction of new services that would enhance Waseef’s service delivery in providing best quality of living in the Property. Hence, the Management reserves the right to change, amend, improve and alter any information stated on this Manual without prior notice to the Tenants. All updates of the Manual will be published and made available in the Community Portal and/or notice boards and/or posters etc. Tenant shall obtain such updates at his own convenience from the various publication options available.

1.3 Parties Involved

To understand how Waseef dedicates its full-Management strategy to ensure quality of service for Residents, this Manual shall support the responsibilities of all parties taking part in Barwa City.

This Manual shall also define the services to be delivered by the Management and its constituents and the level of service to be expected by the Tenant, thereby reducing the risk of misunderstanding.

The following parties who are involved in the Property and who shall work together as smoothly and effectively as possible are:

1.3.1 Resident / Tenant

Tenants are responsible for making sure all requirements under the lease terms are met in conjunction with the Property’s rules and regulations. This Manual will guide you to achieve these requirements in relation to your residency in the Property. You are also responsible for your co-habitants for their appropriate obedience as mandated in this Manual.

As part of the whole Property, you shall grant Waseef with full authority and control over the Property, asset, and facilities whenever necessary. Utmost support, cooperation and respect shall be given to all Waseef constituents operating therein.

1.3.2 Waseef (the Management)

As mentioned above, the overall Property and facilities management of Barwa City is being carried-out by Waseef. Waseef employs a team of experienced and fully-trained managers, administrative support staff, technicians, security workforce, and site-works personnel who are stationed within the Property to provide the residents quality services at all times.

SECTION 2
HAND-OVER AND MOVE-IN GUIDELINES

2.1 Hand-Over

The newly leased premises will be properly handed over to the new Resident by Waseef. The keys of the apartment, copy of signed documents, etc. will be handed over to you after completing all requirements for tenancy.

Waseef representatives will assist you on your first day to conduct a joint inspection exercise inside the leased unit. Everything you receive and/or being provided within the premises will be recorded with your knowledge by using Leased Premises Handover Checklist and Unit Acceptance Form.
2.2 Moving In

Moving into Barwa City marks your residency commencement date. To facilitate moving to your new home, we would like you to observe the following guidelines:

2.2.1 Moving in to the apartment should be completed by the time and date stated on the tenancy contract, unless otherwise it has been coordinated through Waseef’s site office.

2.2.2 Upon moving into the apartment, the tenant is expected to carefully inspect the unit within seven (7) days upon arrival for any damaged or missing items to be reported to the Management. The Management will follow up on all reported problems and take corrective action accordingly. If the tenant fails to advise the Management of any problem(s) within the said period, the tenant will be taken to have been satisfied with the condition of the apartment and confirmed that it is in a good and undamaged condition at the Commencement Date.

2.2.3 Upon vacating the unit, the tenant will be billed for any missing or damaged items to the unit not reported to the Management within the mentioned 7 days allocation.

2.2.4 Unnecessary noise, obstructions and other annoyances should be minimized.

2.2.5 All interior facades and common areas’ facilities should be protected from damages.

2.2.6 The Tenant will be liable to the Management for replacement or repair of any damages incurred in the building/ Property while moving in/out.

2.2.7 Common areas (streets, sidewalks, hallways, elevator and other shared facilities) should be kept clean at all times from debris caused by Tenants moving in/out.

2.2.8 At the completion of each working day, all crates, cartons, wrappings and wastes should be stored within the Tenant’s premises or to properly dispose the waste to the garbage bins. The Tenant shall not place trash boxes or receptacles and any other materials which cannot be disposed in the ordinary and customary manner of trash disposal. All garbage and refuse shall be taken out from the Property.

2.2.9 Tenants should not burn any trash or garbage of any kind in or about the premises.

2.2.10 Toilets, wash bowls and other plumbing facilities shall not be used for any other purpose other than what those are designed for. Uncommon objects of any kind are strictly prohibited to be disposed on the mentioned plumbing facilities of the Property. The expense of any breakage, blockage or damage resulting from a violation of this provision shall be borne by the Tenant who himself, or whose employees, agents or invitees shall deemed to have caused it.

2.2.11 Tenants shall not mark, drive nails, screw, cut or drill into, paint, or any other way deface any walls, woodworks or other surfaces or part of the premises or building.
2.2.12 All entrance doors to the premises (and any other means of entry) shall be kept locked when the premises is not in use. The Tenant assumes all responsibility for protecting their premises and the contents within their unit.

2.2.13 No electrical materials/ wires shall be brought into the premises without the Landlord’s permission specifying the manner in which the same may be done.

2.2.14 All loading, unloading, receiving or delivering of goods/supplies, or disposal of garbage or refuse shall be made through entryways and service elevators, if available, provided for such purposes and indicated by the Management and the gate security should be advised before the delivery schedule.

2.2.15 Tenant should be responsible for any damage of the building or the Property or its employees or others, and injuries sustained by any person whomsoever resulting from the use or moving of any articles in or out of the premises, and shall make all repairs and improvements required by Management or governmental authorities in connection with the use or moving of such articles.

2.2.16 Tenants are allowed to use the passenger elevators and use the service elevator for the process of transporting the Tenants’ objects and belongings (i.e. furniture, electrical appliances, etc.) to the apartments.

You may contact Waseef Site Office to guide and/or assist you on your moving-in activity. It is our pleasure to help you!

SECTION 6
INSURANCE

Tenants are recommended to possess personal insurance, car insurance, personal belongings insurances, as well as third party liability coverage for protection against loss, damage to and/or theft of personal properties.

The Management assumes no responsibility for the personal properties of residents and/or their guests. Use of and presence on the common facilities is entirely at the risk of each and every Tenant. Neither Barwa nor Waseef is responsible for any loss, damage, theft or injury to persons or property (including but not limited to loss of life), which may arise from use of or presence on the common facilities by Tenant.
SECTION 7
BOUNCED CHECKS

All Tenants are required by the Management to provide postdated bank checks as security deposits and payment for the monthly rental in accordance to the amount required for the leased unit. In any case the check is dishonored or returned unpaid by the bank upon presentation due to insufficient funds, signature problem or inactive account, the Management shall call/sms the tenant to settle the issue to the bank within 10 working days from the date of the call/sms. If no action is achieved after this period, the Management shall send a final Warning Notice through Qpost informing the Tenant to immediately settle the same within 5 working days from the receipt of the notice; otherwise he shall face legal implications.

If the tenant still fails to comply as required, the Management shall pass the issue to its Legal Advisor through which a legal case may be filed against the Tenant to the relevant State Court of Qatar.

SECTION 8
LEASE RENEWAL & NON-RENEWAL PROCEDURES

The Management has set the following procedures for the renewal and non-renewal of leased units, with an objective to impart/improve Tenant’s understanding on the same in accordance to the terms and conditions stated on the Lease Agreement Contract.

The Management has full authority to declare whatever is rightful for the protection of its interest and business without any construed conflicts with the State Law of Qatar in regards to these procedures, and reserves the right to perform either approval/disapproval/negation of Contract Lease Renewal under the following terms and conditions:

8.1 Terms and Conditions

1. Lease Renewal shall apply conditional fees or service charge adjustments based on certain factors subject to condition of Property Value Appraisals, Property Maintenance Costs, current market trade, real estate conditions, Owner/Management provisions, etc.

2. The Management shall determine candidates for Contract renewal/non-renewal based on Tenants’ historical payment records and worthy tenancy standing.

3. All candidates for Lease Renewal shall receive formal Notifications (Lease Renewal Notice) sent by the Management through Q-post on or before 90 days prior to the expiration date of existing Lease Contract.
4. As per Lease Agreement, the Tenant shall notify the Management of his intention to renew the contract in not less than 60 days prior to the lease expiry. If the renewing tenant failed to notify within this period, the Management shall assume that the tenant has no intention of renewing his contract. Therefore, within 60 days before the Tenant’s contract to expire, the Management shall send the Non-Renewal Notice (NRN) through Q-post or personal visit to inform the Tenant of the termination of contract at the end of his existing contract period.

5. For Tenants classified as “delinquent” by the Management and with approval from the Project Owner not to be granted a renewal of contract, NRN shall be sent to the Lessee through Q-Post on or before 90 days prior to the expiration date of his contract to officially inform him that it will not be renewed at the end of the contract period.

6. A Notice to Vacate (NTV) shall be issued by the Management to (1) Tenant (classified as “Candidate for Lease Renewal”) who declined to renew the contract after the receipt of LRN and/or who failed to advise the Management of its intention to renew/not renew the lease contract within required period of 60 days prior to his lease expiration date and to (3) Delinquent Tenant who received the NRN – 30 days before the end of his existing Contract. This is to prepare the Tenant to move out from the unit/Property at the end of his contract period.

7. Upon expiry or sooner amicable termination of the Agreement, the Management shall, within thirty (30) days thereof, return to the Tenant the Security Deposit less any Deductions which have not been repaid by the Tenant.

8.2 Renewal Procedure

1. The renewing tenant, upon confident assurance that his/her tenancy shall be renewed upon his own execution, shall sign the Lease Renewal Notice (LRN), return it personally to the Management Office before 60 days from his lease expiry date.

   The signed LRN shall denote as official form of entitlement and acceptance to commence another one (1) year full term agreement to lease the Unit.

2. The Tenant will be given a list of the requirements needed for Lease Renewal once he visited the Management office during submission of furnished LRN. New documents shall be required for tenant’s file to be up to date and technically approved by law.

3. Once LRN is received, the Management shall perform the necessary arrangements for lease renewal within 30 days.

4. The Tenant shall receive a call or SMS from the Management for the schedule to submit the bank cheques, security deposits, utilities deposits and other required documents.

5. The Tenant should sign all legal documents within 30 days prior to his existing lease expiry.
8.3 Non-Renewal Procedure

1. The Tenant, upon confident assurance that he will not renew tenancy to the Property, shall personally visit the Management Office to sign the Non-Renewal Notice (NRN) stipulating the reason of non-renewal before 60 days from his lease expiry date.

   The signed NRN shall denote as official form of entitlement to disclose Termination of Lease Contract at the end of the existing contract period.

2. Once NRN is received, the Management shall perform the necessary arrangements for non-renewal of lease within 30 days.

3. Within 30 days prior to his existing lease expiry, the Tenant shall receive through Q-post, email, call or SMS a Notice to Vacate with the schedule date to move out from the Unit.

4. Refer to Section 9 “Move Out Procedures” for details on vacating the unit.

8.4 Early Lease Termination / Revocation

1. If for any reason a lease contract must be terminated by the Tenant prior to his expiry date, it is advised to inform the Management in writing on or before 60 days prior to the intended termination date. The Tenant will still be responsible for monthly rental payments until such time that the unit has been cleared out and the Management finds a suitable replacement occupant in not more than 60 days after the termination date. In this case, Waseef Management reserves the right to utilize the tenant’s remaining security deposit to pay for the rent.

2. If for any case the Management received approval to terminate the contract of a delinquent tenant (Tenant with repetitive bounced cheques, outstanding arrears, frequent policy violator, etc. supported by hard evidences such as incident reports, letters, legal case file, etc.) prior to the lease expiry date, the Tenant will receive a Lease Termination Notice (LTN) through Q-post indicating the date to move out from the Property.

3. The Management may have the right to terminate the agreement before the expiry of its term due to occurrence of unexpected circumstances which render the execution of this agreement onerous, such as changing domicile area due to work requirement. The Management has to inform the Tenant in writing at least 60 days ahead.

   Otherwise, if the Management desires to terminate the contract without a reason in a time prior to the expiry of the rent period, the Tenant has the right to keep the remaining amount of the rent which was paid in advance and the Lessee is liable to pay the whole rent amount for the rest period of rent.
4. The Management has the right to revoke the rent contract before its end period without notifying the Tenant or issuing any judicial decision for the following reasons:

- If the Tenant fails to pay the due rent amount within 10 days of its dues date.
- If the Tenant subcontracts the property totally or partially or assign it for others.
- If the Tenant misuse the rented property by violating terms of the contract and may damage the Management interests.
- If the Tenant close the property for more than (6) sequence months without any reasonable justification.
- If the Tenant breaches any of his obligations based on this contract.
- If it been proved that the property is about to collapse.
- If the Tenant gives incorrect Info or details or use any way of cheating in order to get the rented property.

Note: Head Lease Corporate Tenants complies with the specific clauses stipulated in the signed lease agreement.

SECTION 9
MOVE OUT PROCEDURES

In case a Tenant intends to move out from the apartment/Property, the following procedures should be strictly observed upon leaving the leased apartment, for any reason including the clearing of all obligations from the rent and to execute immediate release of Security Fund and other deposits. (Please refer to the Lease Contract for all applicable penalties.)

- The Tenant should give a notice period of at least 2 months from the date intended to vacate the apartment unit.

- The intention to vacate from the apartment/Property should be confirmed in writing. The Tenant should request the Lease Termination Form from the Management Office, fill-up and give back the same to the Management staff. Tenants are advised to keep a copy of this letter for future use and reference. Verbal notices will not be honored.

- 2 weeks prior to the intended move-out, the Tenant shall receive from the Management a Notice to Vacate through Q-post, personal visit or a call from Call Center.

- The period between 14 days before the date the Tenant intends to vacate the unit shall be arranged as a mutual date to fully inspect the Apartment for any defect. If defects were found clearly in the premises, the Management Representative shall accomplish an Assessment Report which includes the Cost of Repairs to be signed and mutually consented by the Tenant. The Assessment Report will be forwarded to the Management’s office for
review/approval of the cost for the necessary repairs, demolition and construction works as part of the reinstatement of the premises to its standard state. The cost of repair will be deducted to the Tenant’s Security Deposit. The remaining amount of the Security Deposit, if there’s any, will be given back to the Tenant after the successful completion of this period upon issuance of Clearance Certificate and finding a replacement Tenant. The Tenant is liable to pay the full amount of the cost of repair. In any case that the cost of repair is more than the amount of the Tenant’s Security Deposit, the Tenant shall provide the additional amount required. Prior to vacating an Apartment, all fees and charges payable by the Tenant under the Residential Agreement must be paid in full. This includes providing clearances from Kahramaa & QTel/Vodafone, if applicable.

- Moving out of the apartment should be completed by the time and date stated on the letter provided by the Management, unless otherwise it has been coordinated through the Managements office.

- The Tenant should also obtain approval letter from the Management for the entry/access of home-movers (trucks and manpower) to the Property.

- All personal belongings must be removed from Rooms/Apartments by 10:00 AM on the move-out date. Tenants should ensure that the apartment unit is left in a clean and tidy condition with all garbage properly disposed out. Should there be personal belongings left for more than 7 days in an unoccupied unit, it will be regarded as "abandoned goods" and may be sold by the Management office without any liability to any person/tenant.

- House keys are to be returned to the Management office before finally leaving the Property by completing the Unit Hand-over Form. **Your rent will continue to be charged until house keys are RETURNED.**

- Tenants can claim the remaining rental cheques, deposits, refunds, etc. from the Management after 45 days from the date of leaving the Property.

- Any other rules mentioned in Section 2.2 still apply.

- Should you require further assistance on this regard, please contact the Management Office directly.

**Note:** Head Lease-Corporate Tenant complies with the specific clauses stipulated in the signed lease agreement.
